

TFF Privacy Policy

Texas FlyFishers

Introduction:

Texas FlyFishers (TFF) is a 501 (c) (3) organization based in Houston, Texas. In the course of its activities TFF maintains contact information on its membership and participants in club sponsored events. This document, the TFF Privacy Policy, has been created to define the handling of information collected from the membership and/or from participants in club sponsored events.

Collected Information

TFF collects and maintains contact information for its membership and for participants in club sponsored events. This information includes names, physical addresses, phone numbers, and e-mail addresses. The collected information may come from the club website.

Purpose of Collected Information

The collected information maintained by the club is used to contact members or participants in club events relative to dues, club functions, and other items of interest to fly fishing enthusiasts. This contact may be by phone, letter, or e-mail.

Disclosure of Collected Information

TFF will not disclose collected information to any party unless required to do so by relevant laws or court actions.

Links to Other Websites

The club website contains links to other websites of interest to fly fishing enthusiasts. The club is not responsible for the privacy policy of any linked website.
